2024 Bathing the Buddha Dharma Service

When we bathe the statue of the Buddha, we take it as the Buddha is present and we have cultivated the premiere merit in the world. We should be joyful and have faith in the merit of bathing the Buddha. In pouring water over the Buddha, we are also cleansing our own minds. We wish to be rid of karmic obstructions and for purification of our minds. We pray for peace and happiness for all humanity.

We are conducting 2024 Bathing the Buddha Dharma Service on May 12 (Sunday). Hope everyone and their family and friends can join us.

May you be free as cloud and water, auspicious and joyful!
